

PLEASE READ BEFORE PUTTING SUMMER WHINNYS ON YOUR HORSE!

1. PUT THE ENCLOSED PLASTIC BAG OVER THE HOOF.
2. PULL THE SOCK ON OVER THE PLASTIC BAG.
3. REMOVE THE PLASTIC BAG FROM THE HOOF, AND PUT THE HOOF BACK ON THE GROUND.
4. ADJUST THE SOCKS UP AND DOWN ON THE LEG.
5. THE BOTTOM – THE PART THAT SHOULD BE AT THE HOOF – IS INDICATED BY THE COLORED YARN. **FOR ADDITIONAL HELP SEE THE ENCLOSED ILLUSTRATED INSTRUCTIONS.**
6. IF YOU DON'T GET THE STAY-UP POWER IN THE FIRST DAY, REMOVE THE SOCKS AND MACHINE-WASH THEM IN WARM WATER AND DRY ON HIGH HEAT. THIS WILL "SET" THE YARNS AND ELASTICS AND THEY SHOULD STAY UP FOR HOURS AND HOURS IF YOU'VE CHOSEN THE CORRECT SIZE FOR YOUR HORSE.**
7. MOISTURE ENHANCES THE ANTIMICROBIAL PROPERTIES OF THE SOCKS. YOU MAY BATHE YOUR HORSE WHILE IT'S WEARING THE SOCKS AND LET THEM DRY ON THE LEGS.***
8. WASH AND DRY EVERY 4 DAYS TO RESTORE THE ELASTIC AND FIT TO GET THE BEST RESULTS. DO NOT USE BLEACH – IT MAY DESTROY THE COPPER AND SILVER IONS. THEY WASH LIKE ANY OTHER SOCKS.

*** Your horse may decide to have a good run and buck session. If it lasts longer than 5-10 minutes, you may have to adjust the socks again – but you should be pleasantly surprised at just how much activity these socks can withstand before slipping down. Also, because the socks are so soft, some horses like rubbing their faces on them. You may have to adjust the socks a little more in the beginning, but usually they get over it in a few days.*

**** Moisture is great for the socks. If they become soaked from the rain, just pull them up on the leg and let them dry. If they get muddy, hose them off while still on the leg. Adjust them and let them dry on the leg, or take them off and put them in the washer and dryer.*

We've never had a horse hurt or injured because of our socks. Please note that because of the theoretically possible risk of a sock coming off or falling down and panicking the horse while being ridden, we must state that riding your horse while it's wearing Summer Whinnys® must be at your own risk.
